AGREEMENT

I hereby make application for myself / son / daughter to take part in flying activities connected with Rainbow Airschool as a student and or passenger on any aircraft used by Rainbow Airschool

I fully understand and accept that all the abovementioned activities are undertaken at my / sons / daughters own risk. I am aware that neither the pilot of the aircraft, operators, Rainbow Airschool, nor any of its officials, members or affiliates accept responsibility for any loss, injury or damage that my person or property or that of myself / my son / my daughter may sustain whilst engaged in any flying activity. I waive any right that I / my son / my daughter may have to claim compensation against the pilot(s) (previously referred to here in), operators, Rainbow Airschool or any of its officials, members or affiliates in respect whatsoever arising and whether as a result of negligence or otherwise including any latent or patent defect in the aircraft or equipment itself or any part thereof, and I indemnify them against all claims. I further indemnify the abovementioned parties and organisations against any claim any third party might have as a result of the operation of this aircraft, whether such claims are attributable to the negligence of the abovementioned pilot(s), clubs, officials or members or wherever due to any patent or latent defect on the aircraft itself or any part thereof.

CAUTION

While all reasonable care will be exercised by the operators and / or owners of the aircraft, all participants are fully cautioned that this is a hazardous pursuit, and that the organisers / operators shall be indemnified against any injury / damage / loss of whatsoever nature which may arise from the flying activities undertaken. The participants know and understand the extent of the risk they are undertaking and having been informed of the full program of activity hereby wish to participate subject to indemnity.
